As the termination of another school year approaches, one's mind wanders into the past year's occurrences as a little boy would think of a recent circus. The train of former events which have brought us happiness, excitement, pride, and perhaps disappointment will be held fast and dear in our memories.

Although this yearbook could not possibly hold all the activities of an academic year, the Eagle Staff has compiled a record of major accomplishments throughout the years of 1960 and 1961.

THE TATTLER

Volume 17, Number 42 Windom High School Windom, Minnesota May 26, 1961

Co-Editors: Jean Price, Joan Price.

Tattler Day isn't just one day; it's every day. The advisor and editors plan the paper and then hand out articles to staff members. The assignment is completed in one to four days and handed to the editors to be proof-read. Then the articles are typed and taken to the printing office. At the printing office the material is printed on long sheets and given to the editors to correct any errors. Laying out the paper is like putting a puzzle together. The paper is then ready to be taken to the printing shop and then back to school for "Tattler Day."

CONCERT BAND

The Golden Eagle Band had another successful year during 1960-1961. The year started off with the band traveling to Sioux Falls to attend the Augustana College Homecoming. It no sooner got back than it started to work for its winter band concert. "Bandtasia" was very colorful and exciting. Christmas vacation came and went and the magazine sales proved to be good enough for our band trip. The spring clinic with Dr. Uttgard was thoroughly enjoyed by all participating.

Mr. Folin, Director.

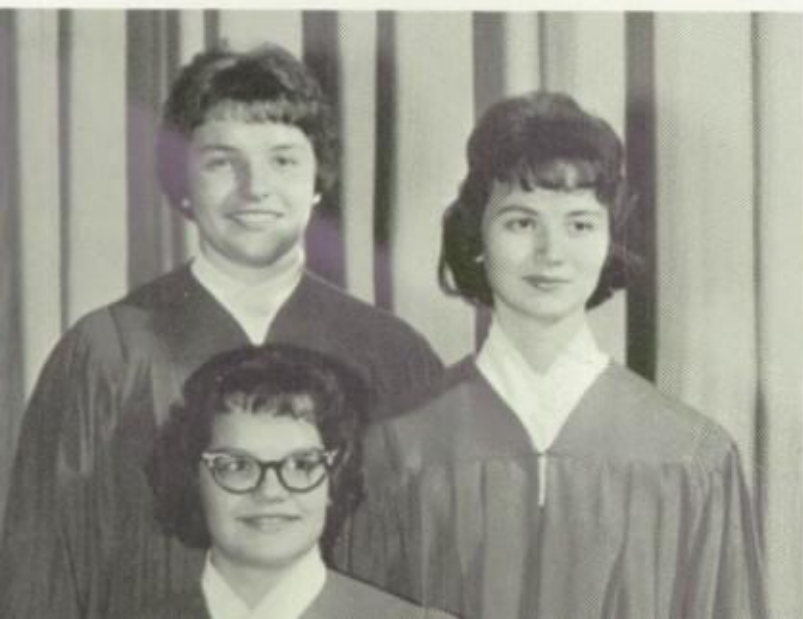

The choir started their 1960-1961 season by singing for the PTA Rally in the fall. Christmas was the occasion for the first real concert presented by the choir. That afternoon's vesper service was an inspiring experience for everyone participating, "A Boy Was Born" was the theme for the concert. The choir's guest conductor at the annual Spring Clinic was Olaf Christianson from St. Olaf College. One of our favorite numbers was "Die Mit Tranen." Funds raised by the choir's chili supper given in January provided for a trip to Concordia College. Senior choir members will never forget this year.

Doug Grant, Captain

Windom's cross country team had a successful season. After an unimpressive dual meet record of 2 wins and 4 losses, the team went on to win the District 7 and Region 2 championships and place tenth in the State Meet. The harriers were led by captain Doug Grant who proved himself to be one of the best runners in this area. He won the District 7 individual championship, set a record, finished second in the Region Meet and placed twenty-third in the State Meet to finish out a successful season. In addition to Grant, Harold Brueland, Jim Hildreth, Norm Purrington and Warren Wendel will be lost to next year's team through graduation.
